NOTICE

Subject: Prohibition of Narcotic Substances on College Campus

As per the directives of the Government of Jharkhand, Home, Jail and Disaster Management Department (Letter No. 18/Misc-04/2024-1781) and the Directorate of Higher Education, Jharkhand Government Higher and Technical Education Department (Letter No. 01/B0-14/2024 (Volume-1)-806), it is hereby notified that:

- **The use, possession, or distribution of narcotic/intoxicating substances is strictly prohibited within the college campus.**
- **Strict disciplinary and legal action will be taken against any student or individual found violating this rule.**

All students and staff are expected to strictly adhere to this directive.

The college campus is a place of education, discipline, and mutual respect. Activities like spitting, smoking, and drinking not only damage the image of the institution but also pose serious health risks and create an unclean and unsafe environment for others.

Let us all work together to uphold the dignity and decorum of our institution.
